ABOUT US

PROFESSIONAL STRENGTHS

Qingdao Aton Stationery is a world-leading professional manufacturer of correction fluid and writing instruments, offering optimal solutions for global customers.

With nearly 30 years of industry experience, we are a established specialist in correction fluid and writing instrument manufacturing. We own well-known brands including “igle”, “小白点” and “博世”, as well as multiple technical patents. Our independently developed liquid ink pen delivers premium quality and stable writing performance, meeting international advanced standards, and supports our global brand development.

We hold ISO 9001:2015 and SA8000 certifications. Our products comply with EU CE/EN71-3 and U.S. ASTM F963-03 safety standards, and are exported to over 110 countries and regions world-wide.

PRODUCTION CAPACITY

As a top global supplier of correction fluid and writing instruments, Aton provides reliable long-term OEM/ODM solutions. We support full-process production with complete workshops for injection molding, blister packaging, liquid filling, pen assembly, metal-tip processing and precision mold manufacturing.

Professional segmented production ensures stable high-volume output. Our annual capacity reaches 90 million correction pens and 100 million liquid ink & roller pens, fully meeting large-scale global order demands.

CORE ADVANTAGES

Equipped with complete production workshops and advanced ERP management system, we achieve standardized, refined and large-scale production, ensuring high efficiency and stable product quality. Located in Qingdao, China's third-largest port city, we enjoy superior logistics resources. Convenient transportation and fast customs clearance guarantee fast and reliable global delivery.
